Introduction

This booklet provides a list of Fresenius Health Partners (PPO SNP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Fresenius Health Partners (PPO SNP)'s formulary. If you have additional questions, please call our Customer Service at 1-866-307-3625, 8 a.m. - 8 p.m., seven days a week. TTY/TDD users should call 1-877-736-2535. Or, visit www.FMCHP.com.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Fresenius Health Partners (PPO SNP). In most cases, your prescriptions are covered under Fresenius Health Partners (PPO SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs. The only preferred pharmacy in the network is for mail order prescription drugs which offers you a lower cost share than if you use a non-preferred mail order pharmacy.

Fresenius Health Partners (PPO SNP)'s Network Pharmacies

How do I find a Fresenius Health Partners (PPO SNP) network pharmacy in my area?

To find a pharmacy near you in the pharmacy directory, you should first locate the type of pharmacy you need. The four types of pharmacies include: retail, long-term care, home infusion, and Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) where available. We have also included our mail order pharmacies. The directory is arranged in alphabetical order by county, city, and pharmacy name. We have indicated if the pharmacy:

- is open 24 hours (Open 24 hours)
- accepts 90-day supply maintenance prescriptions (90-day supply available)
- accepts electronic prescribing (E)
- is a preferred mail order pharmacy (p)

If you have additional questions, you can visit our website at www.FMCHP.com, or call our Customer Service at 1-866-307-3625, 8 a.m. - 8 p.m., seven days a week. TTY/TDD users should call 1-877-736-2535.
